

Havanna

The PROLED WALL LIGHT HAVANNA series is designed for wall mounting and offers various design possibilities in architectural illumination

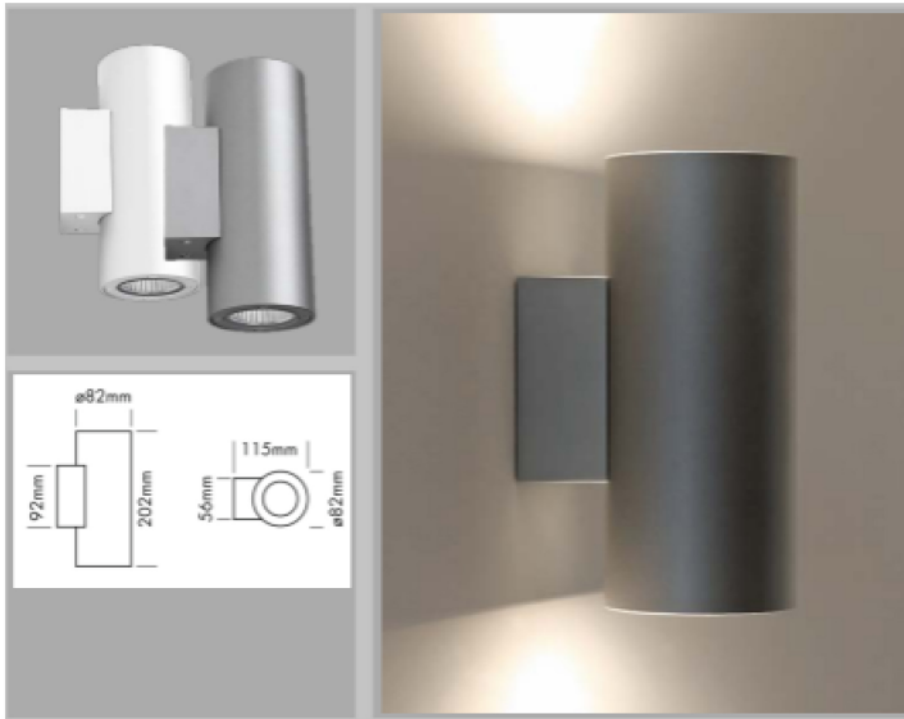

Technical details

Code	Havanna LRG	Lamp	Nichia COB 18 W
Finish options	Silver grey/White	Beam options	12°
Dimensions	Shown Above	Lumen output	3200 lm
Material	Aluminium	Colour temp	3000 k
Net Weight	5.6KG	Colour rendering	80
IP rating	IP65	Power source	24 VDC
UGR	-	Power consumption	41 W
Operating temps	-10° C till +45° C	Accessories	-

This information is for guidance purposes only and may differ from the eventual installation.

Havanna

The PROLED WALL LIGHT HAVANNA series is designed for wall mounting and offers various design possibilities in architectural illumination

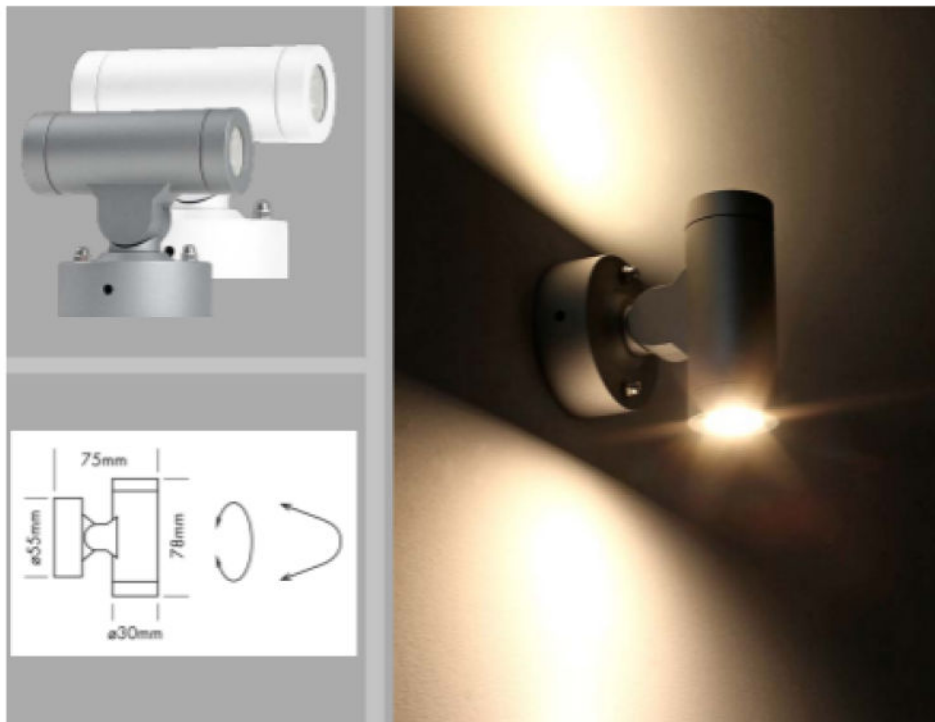

Technical details

Code	Havanna MED	Lamp	Nichia COB 8 W
Finish options	RAL 9003	Beam options	15°
Dimensions	Shown Above	Lumen output	1900 lm
Material	Aluminium	Colour temp	3000 k
Net Weight	1.6 KG	Colour rendering	80
IP rating	IP65	Power source	24 VDC
UGR	-	Power consumption	20 W
Operating temps	-10° C till +45° C	Accessories	-

This information is for guidance purposes only and may differ from the eventual installation.

Havanna

The PROLED WALL LIGHT HAVANNA series is designed for wall mounting and offers various design possibilities in architectural illumination

Technical details

Code	Havanna Mini	Lamp	Orsam 1 W High Power
Finish options	RAL 9003	Beam options	20°
Dimensions	Shown Above	Lumen output	170 lm
Material	Aluminium	Colour temp	3000 k
Net Weight	0.2 KG	Colour rendering	80
IP rating	IP65	Power source	24 VDC
UGR	-	Power consumption	6 W
Operating temps	-10° C till +45° C	Accessories	-

This information is for guidance purposes only and may differ from the eventual installation.
